Hi Lynn,

Yes, of course it is fine. Dual photo credit: Margaret Moulton/Palo Alto Weekly.

Do you know, do they pay for photo use? Just a thought...

Thanks,

Margaret

It's been a long time since we've been in touch, and I hope everything's been going really well for you.

I'm writing to ask your permission to include the photo you took of me in 1983 (attached) in another technical article - this time in the IEEE Solid State Circuits Magazine:

The article, to be published this summer, will be a retrospective of my career - and your photo will be a wonderful addition to the story. They'll be sure to include a photo-credit line for you.

If this is OK with you, you can let me know by e-mail. Many thanks for your help on this.

All the best.
