To whom it may concern:

Embarcadero Media, the parent company of the Palo Alto Weekly, gives one-time reprint permission to IEEE Solid State Circuits Magazine for the Aug. 3, 1983, photo of Lynn Conway. The photograph was taken by Margaret Moulton and should be credited, per the magazine's own style, along the lines of "Margaret Moulton/Palo Alto Weekly." The permission includes both print and web versions of the publication.

Sincerely,

A handwritten signature in black ink that reads "Jocelyn Dong". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
