## SXSW WANTS ATTENDEE FEEDBACK

Rating sessions is easier than ever! Session feedback is built directly into the SXSW GO mobile app. Attendees can quickly enter thoughts through the "Survey" section located under each session description, so be sure to encourage your audience to send in feedback!

Why do we want audience feedback? Because if your session rates highly with attendees, then we are likely to invite you to speak again at SXSW 2019.

*SXSW does not believe in spam. We won't sell or otherwise provide your personal information to third parties.*

*Attention Partner Programming: unless told otherwise, please report directly to your assigned venue.*
