Women in relationship with transgender MTFs

Psychotherapy Support Group for Women whose husbands and significant others are transitioning from male to female.

Beginning Saturday January 17

When faced with a relationship change we sometimes experience grief and loss, anger, bitterness, fear, and sadness.

- Gain understanding for your experience
- Reduce your isolation
- Strengthen interpersonal relationships
- Share your thoughts and feelings in a safe, supportive environment
- Learn from others

Ask questions of yourself and others:
- What is happening to me?
- Why is this happening in my relationship?
- This wasn’t what I planned, now what?
- Can I make this go away?
- How will this impact my children? My family? Our community?
- Why do I feel so alone?

Location: 4753 N. Broadway, Suite 608, Chicago, IL 60640
